YOUR KEY TO A CAREFREE VISIT

## WHAT ARE MAGICBANDS?

MagicBands are colorful, waterproof wristbands—resembling a watch or bracelet—that you can quickly and easily touch to a sensor called a touch point. Cards work in a similar fashion, but physically resemble a plastic credit card or driver's license. Both MagicBands and cards allow you to travel lighter throughout your vacation. You can use your MagicBand or card to:

- Unlock the door of your Disney Resort hotel room.
- Enter theme and water parks (with valid admission).
- Connect Disney PhotoPass images to your account.
- Charge food and merchandise purchases to your Disney Resort hotel room (only available during your hotel stay).

## HOW TO GET A MAGICBAND OR CARD

MagicBands are no longer provided complimentary to Disney Resort hotel Guests. MagicBands are offered for sale up to 10 days prior to arrival to Guests residing in the United States and Canada in English only. MagicBands may also be purchased when you arrive.

## YOUR CHOICE OF MAGICBANDS

- **Colorful MagicBands:** choose from 8 solid hues: pink, red, purple, orange, yellow, green, blue and gray.
- **Premium MagicBands:** choose from designs featuring some of the world's most-loved Disney friends, from Mickey Mouse to Super Heroes and beyond.

## BUILD YOUR ITINERARY

### WHAT IS GENIE SERVICE?

An important tool that will enhance your time at Disney is Disney's free app: My Disney Experience. My Disney Experience is a tool that will help to keep all of your information regarding your time at Disney in one place. One important feature is Genie Service; Disney's complimentary service to help you create your daily itinerary based on your party's top interests.

### WHAT IS GENIE + SERVICE?

Disney's updated "Fast Pass" system, Disney Genie+ is an optional paid service that will allow guests to skip the line and head right to the Lightning Lane entrance on select attractions. Guests can select 1 ride at a time throughout the day and will have access to unique in-app experiences based on the park they are visiting.

### HOW IT WORKS:

Disney Genie+ service Lightning Lane selections can only be made one at a time. You must redeem an existing Disney Genie+ service Lightning Lane selection or wait 2 hours—whichever comes first—before making another Lightning Lane entrance selection through Disney Genie+ service. Please note: the 2-hour wait to make another selection begins when the park opens, even if you made your first booking at 7:00 AM.

### Summary

- Genie is complimentary and a part of the MyDisneyExperience App
- Genie+ is Disney's updated "Fast Pass" system that allows you to skip ahead in lines throughout the day
